Already **trusted by thousands** of retail and leisure businesses, we are one of the **fastest growing merchant services companies** in the UK.

We understand how important a reliable, fast and affordable card payment system is to you and your business. Our card payment solutions are simple to set up.

Review of your **current charges from a payments specialist**

Save **up to 50%** on your card processing charges

No **joining or set up fees**

No **cancellation fees** if you leave at the end of your contract

**No hidden charges**

No **MMSC** (Minimum Monthly Service Charge)

**Low-cost** transaction rates and monthly terminal rental

Faster Payments with **same day settlement** to your bank account

**Real Time transaction data** with Analytics

**Simple and straightforward set up**

# CLARKE EPOS (UK) LTD

provides a convenient way for any business to **receive card payments**, at some of the most **attractive rates** in the business.

## **Simplicity & Reliability:**

Our card machines come with plug and play technology, making it easy to get started. Our modern, reliable and secure card terminals come with free 24/7 support (phone, email and online) and next day terminal swap out.

## **Great rates:**

Our best-in-class transaction rates, zero MMSC (minimum monthly service charge) and low terminal rental means you control your card acceptance costs. Faster payments ensures the money is in your account sooner. Batch before 3pm and receive your money by 7pm the same day!

## **Real-time reporting:**

Receive up-to-the-minute online reports, charting every transaction with downloadable CSV reports to reduce the time spent on book-keeping.

Make sure your demands are met  
with proven reliable and robust  
payment solutions to  
**suit every demand.**
