**1.1** This plan supports the other safety policies of St Mirren Football Club.

**1.2** This plan demonstrates that St Mirren Football Club is committed to ensuring that all those attending the Simple Digital Arena are able to experience enjoyable and safe events, free from the risks associated with crowd disorder and Anti Social Behaviour (ASB) # St Mirren Football Club will take all reasonable steps to ensure that we manage, prevent and reduce such occurrences and when incidents do occur we will respond quickly, fairly and effectively to minimise the risk of harm or injury to spectators, staff, players, participants, officials and spectators. Those who are involved in crowd disorder or ASB can expect to be held to account by the ground management and/or the police.

### **1.2.1 # Definition – Anti Social Behaviour (ASB)**

**Anti-social** behaviours are actions that harm or lack consideration for the well-being of others. Many people also label **behaviour** which is deemed contrary to normal **social** conduct to be **anti-social behaviour**.

**1.3** The implementation and delivery of this plan, which is owned at Board Level, is the responsibility of the Safety Officer – supported by the police, if in attendance. The Club and the Police both maintain a statement of intent for each event held at the Simple Digital Arena and they set out the specific circumstances and protocols should the police need to take over responsibility for the resolution of serious incidents of crowd disorder at the stadium.

**1.4** The terms and conditions of the SPFL (Displayed throughout the stadium as the Ground Rules) play an important part in ensuring spectator safety and enjoyment. They provide clear indication of what behaviour is or is not acceptable (They are attached to this report as an appendix).

### 2.1 Warnings

Warnings which will always be given in writing (See Appendix C for written ASB warning) will be recorded at supervisory level by steward

supervisors in their supervisory match reports-Head Stewards Report-Match Safety Report(Safety Officer) All will be recorded for 12 calendar months on the clubs computer system by the club secretary.

All warnings which are dealt with only as a warning will invariably be in response to Anti Social Behaviour. **Only 3 recorded warnings are permissible** therefore on the third warning the procedure (very much similar to the procedure outlined in the supporter's code of conduct - Attached) will be invoked as follows:

**2.2. Exclusion from the stadium** Supporters who are the subject of three recorded warnings regarding Anti Social Behaviour (ASB) at the Simple Digital Arena **will immediately be excluded from entering the stadium for any matches of any sort for 12 weeks or \* 6 home matches** (\* should the 12 weeks run into the close season).

### **2.3. Recording Action Taken**

**The Safety Officer records all incidents and actions taken at home matches. The Club Secretary maintains a conduct list recording all actions taken against supporters for offences either home or away.** The club also has an information sharing agreement with Police Scotland which provides such information. It should however be noted that at club security only matches **stewards have no power in law to require offenders to divulge any details.**

### **2.4 Reporting Structure**

- **Chairman**

- **Safety Officer**
- **Deputy Safety Officer (If on duty)**
- **Head Steward**

### **2.5 Age of Offenders/duty Of Care**

**Persons who indulge in Unacceptable Conduct, Crowd Disorder or Anti Social Behaviour whilst under 18 years of age. Duty of Care.**

#### **Criminal responsibility and the courts**

In Scotland the age of criminal responsibility is 8 years old and the age at which a child can be prosecuted is 12 years.

If a child under 12 is behaving in such a way that they may be at risk or vulnerable, for example, assaulting others or stealing, they may be referred to a social worker and ultimately a children's hearing which can make a decision about how to help them and the family. A decision by a children's hearing can become part of a criminal record.

If you are aged between 12 and 16 and you commit a criminal offence you are most likely to be referred to the Children's Reporter who will decide whether or not there are grounds for concern. A child of 12 or over can be prosecuted for a criminal offence and be dealt with in court if the offence is serious.

If you are aged between 16 and 18 and you commit a criminal offence you will be dealt with by the children's hearing system or the courts. If you are going to court there is useful information on the Scottish Courts and Tribunals Service website at [www.scotcourts.gov.uk](http://www.scotcourts.gov.uk).

#### **Duty of Care**

St Mirren FC have a duty of care to children and young persons under the age of 16 years therefore such persons will not be subject to automatic ejection. If appropriate having committed an offence the child responsible may be moved to another part of the stadium and supervised throughout the rest of the match/event. This duty of care extends to victims, witnesses, at risk adults and the disabled who will receive appropriate care from staff.

### **3. Match Day Chain of Command**

- **Safety Officer**
- **Deputy Safety Officer**
- **Head Steward**

- **Deputy Head Steward**
- **Stand Steward Supervisors + Hospitality Supervisor( 1 per stand therefore 5 in number)**
- **Safety Stewards/SIA Stewards**

#### **4. Policing Matters**

- At policed matches the Police Liaison Officer will be present within stadium control for the duration of the event
- A Ground Commander, reporting to the liaison officer, will also be present to coordinate and control police resources within the stadium
- At non policed matches contact with the club will be maintained by the police prior to the event who will confirm the absence of any additional risks identified by police intelligence.
- At non police matches a nominated on duty police supervisor will liaise with the Safety Officer in order to ensure an appropriate police response to any incidents at the stadium
- At non policed matched the Safety Officer will have responsibility for reporting **any incidents** which require police attention

#### **5. Ground resources, options, roles and responsibilities**

## 6 SUPPORTERS CODE OF CONDUCT

St Mirren Football Club recognises that football is a passionate game and supporters will have their own way of expressing their support and reactions. This is acceptable and welcomed as it often adds positively to the match experience. However behaviour which jeopardises the safety and enjoyment of others or is likely to bring disrepute to this Club is not acceptable.

This includes:

- **Anti-social behaviour**
- **Personal Abuse on social media**
- **Sectarian, racial, discriminatory or obscene chanting**
- **Throwing any article within the stadium or its environs**
- **Encroaching onto the field of play**
- **Disability hate crime**
- **The offence of any person having in their possession any firework/flare/smoke bomb etc whilst attempting to enter or whilst in any part of a designated football ground which is in the sight of the pitch**

### **Disability Hate Crime**

A crime becomes a Disability Hate Crime when it is 'perceived by the victim or any other person to be motivated by malice or ill will based on a person's disability or perceived disability'. (A copy of the clubs Disability hate crime policy is available on the club web site under club policies)

### **Personal Abuse on Social Media**

Derogatory, abusive, and wholly unacceptable social media posts aimed towards club staff is unacceptable conduct and any breaches to the guidelines within this document will be policed and the penalties will be the same on social media as it would be if the offence was carried out in person within the stadium. It should be noted that social media platforms have their own terms and conditions which when breached by such conduct which may well lead to exclusion from use of such services.

Whilst we understand that everybody is entitled to an opinion, and actively encourage lively and passionate debate, we must make it clear that some of the personal attacks we have witnessed are deplorable. Such behaviour has no place at our club, in football or within wider society.

Anyone found guilty of using language of a racist, xenophobic or discriminatory nature is indulging in unacceptable conduct and as such will face further action from the club. This also relates to discriminatory content posted online.

Saint Mirren FC will support its Staff, Stewards and Police Scotland in taking appropriate action against any individual whose \*conduct is unacceptable.

As a club St Mirren promotes a family friendly atmosphere within the Simple Digital Arena and this should spread to social media where decent and honest online discussion of all things St Mirren is positively encouraged.

(\* Notices defining unacceptable conduct are on display throughout the stadium and can also be found on the club web site)

### **Exclusion from the stadium**

Supporters who are the subject of an **ejection** (Mainly by Stewards) or **arrest** (By police) **will immediately be excluded from entering the Simple Digital Arena for any matches whatsoever held at said stadium for 12 weeks or \* 6 home matches** (\* should the 12 weeks run into the close season). In the case of arrest should the police action lead to court proceedings this exclusion will be extended until the outcome of such court proceedings are known by the club.\* This exclusion also covers supporters who indulge in unacceptable conduct and who are neither ejected nor arrested at the time but whose identity is later discovered by the club.

\* The club will undertake to review the ongoing cases of supporters banned until the conclusion of court proceedings after every 12 weeks/6 home matches. The results of such reviews will be recorded by the club and should they result in the ban being lifted the supporter concerned will be informed.

\*

## Away Matches

**St Mirren Football Club are always made aware of instances of unacceptable conduct involving our supporters which occur whilst the team are playing away from home** and should the circumstances merit, the club reserve the right to implement the terms of this code against individuals who indulge in such behaviour and bring the good name of this club into disrepute.

## Right of Appeal

Any individual who breaks this code and becomes the subject of arrest or ejection leading to exclusion from the stadium may appeal in writing to the undersigned if they feel that an injustice has occurred. A club review of the circumstances will be undertaken and the applicant informed of the results of the review in writing.

St Mirren Football Club enjoys an excellent reputation for good behaviour both on and off the field of play. This code of conduct has been produced so that supporters are fully aware of the action that this club will take to ensure their safety and enjoyment. The club trusts that the sanctions mentioned above are seldom imposed.

## **Appendix C: Written Anti Social Behaviour Warning**

Name:

Address:

It has come to the Club's attention that you were responsible for:

### **AN ACT OF ANTI SOCIAL BEHAVIOUR**

Namely.....

During the match between Saint Mirren and

.....  
on.....

The above behaviour is unacceptable conduct. It is very disappointing to hear of it as it brings the good name of St.Mirren Football Club into disrepute as well as the reputation of our fans.

As a consequence of this behaviour you have received this written notice as a warning which will be recorded by the club. Such behaviour will not be tolerated at this club and you should be aware that should you receive three warnings for Anti Social Behaviour this will lead to a ban from attending 6 matches at the stadium.

You should consider it fortunate that on this occasion this matter is being dealt with by the club rather than by the police. Should this become a police matter your behaviour may render you liable to arrest and attendance at court with the very real possibility of the grant of a football banning order which will exclude you from attending ANY football matches in Scotland for a very long period of time.

Yours sincerely
