The North Stand (Away Support)

The South (Family) Stand (Mainly Home Support)

The Main (East) Stand (Mainly Home Support)

The West Stand* (Mixed See Below)

* N/B The north end of the West Stand is sometimes segregated to afford extra capacity for away supporters.

Accessibility: All entrances are step-free and direct wheelchair access is available to most public areas of the premises. The car parking facilities are situated in close proximity to the various points of entry to the stadium.

Admission Charges: If a wheelchair user attends admission is charged at our concession rate. An accompanying carer is similarly charged at our concession rate i.e. a wheelchair user and care attending = payment for two concessions.

Customer Care: Our staff, stewards and all match day personnel are tasked with ensuring that disabled supporters and customers are at all times treated with due patience, politeness, courtesy and practical assistance.

The club, its employees and stewards shall not discriminate between people with differing impairments.

SMFC is aware that any incidents of discrimination under the provisions of the DDA are serious matters, which could lead to appropriate disciplinary action being initiated.

Any grievance relating to the provisions of the DDA will be dealt with promptly by a senior member of staff.
